

# Thank You for Helping Us Celebrate our 20th Anniversary

This year, the Corrections Foundation celebrates our 20th Anniversary.

Formed in 1996, the Corrections Foundation supports the employees and programs of the Florida Department of Corrections (FDC) through donations and grants.

The biggest part of what we do is supporting you—the officers and staff of FDC—providing \$6.172 million to 5,480 employees.

With your continued support, we look forward to continuing to serve you.

## Thank You to Lori Nassofer

The Corrections Foundation extends its thanks to a special guest at today's tournament – Lori Nassofer.

Her contributions through the Corrections Foundation has provided for the purchase of Uno and Razor, the cell-phone detecting dogs used in correctional institutions; GPS collars for dog tracking teams; and for food and supplies for the K9 programs at institutions across the state.

These simply would not have been possible if not for her contributions and strong support.
